Tom
Sorry it took me so long
to get this written. 

Hon. David E. Heard

Dear Dave:

I have been contacted by the Elgin Municipal Judge Tom Grant about the upcoming new judge orientation program you mentioned at the LBOC meeting in Portland. The month of February was mentioned but Tom will need at least 30 days notice so he can clear his docket while he attends your training session.

I have tried to catch you on the land line but you are so busy in all your different courts we've never made connections.

Best Regards,
Larry D. Cole
